A panoramic view of the Stockholm skyline at dusk. The city's characteristic wooden buildings are illuminated by warm lights, and the prominent spire of the Stockholm Cathedral is visible. The city's reflection is visible in the water.

A bronze statue of a mermaid, known as 'The Little Mermaid', is perched on a large, light-colored rock in the middle of a body of water. The statue is depicted in a seated position, facing slightly to the left. It has a human-like torso with visible breasts and a long, scaly tail. The water around the rock is calm, with gentle ripples. The background shows a vast expanse of water under a clear sky. The text 'iTravels Center' is visible in the bottom right corner of the image.

A large, ornate stone gate with two lion statues flanking a central arched entrance, leading to a courtyard with a large brick building in the background. The gate is made of light-colored stone with intricate carvings. The lion statues are green and lie on the gate's base. The building in the background is a large, multi-story brick structure with many windows and a central tower. The sky is blue with white clouds.

A vibrant, colorful illustration of a coastal town, likely a Scandinavian harbor, featuring multi-story buildings in various colors (red, blue, yellow, green) along a waterfront. Several boats are docked in the harbor, and the scene is reflected in the calm water. The sky is bright and cloudy.
